

Summer Term 2010

Class 1

Dear Parents and Children,

Welcome to the 1st half of the Summer Term. We hope you had an enjoyable holiday and are looking forward to returning to Class 1.

This term we are very excited as our topic is *Growing Growing Grown!* Mrs Abbey, Mrs Foster and I have attached our planning for this term and as with all our work in Class 1, the topic will continue to develop the early learning goals through a practical approach to the curriculum.

We will be looking at plants and what they need to help them grow, specifically relating this to ourselves and other creatures. We will be using the fairy story *The Enormous Turnip*, as our starting point. The children will be making a garden centre outside in the little playground. Any help you can offer; old pots, seed packets, garden tools, clothes, materials, empty shoe boxes, plastic boxes for making a box garden, and photographs of the children, from babies to the present day, for our *Guess Who Book*, or anything that you can think of would be very much appreciated.

If you have any questions about our work in Class 1 or would like to come and help you would be very welcome. Please do not hesitate to speak to either myself, Mrs Abbey or Mrs Foster.

Thank you

Mrs Spearing, Mrs Abbey and Mrs Foster
