Fund raising:

Thank you to the PTA for organising the summer fair. It was a really lovely afternoon and the weather was very kind to us again this year. They raised Just over £800.00 which is a fantastic amount for such a small school, very well done and thank you all for your continued support. The PTA has already spent some money this term on new playground markings which the children have really enjoyed.

This one is a real favourite!

Contributing to the wider community:

As always we encourage the children to think about the wider community. The children were very enthusiastic about entering the art competition at the Church Fete and they were very pleased to learn May-pole dancing as their contribution to the entertainment that afternoon.

Singing up again:

After our debut singing on Chiltern radio, back in March, the children attended The Singing Spectacular at the Grove Theatre on the 8th July. They sounded Fantastic! Well done Ridgmont! The children performed their songs beautifully again at our leavers assemble on the last day of the summer term.

School trip

This year we took the children to the Eco Park and we all had a fabulous day out and it didn't rain this year

The climbing wall.

Sports day and aqua splash.

The children had a very sporty morning participating in lots of multi sport activities and in the afternoon we tried something new! Armed with an assortment of water cannon, paddling pools and a water slide we had a brilliant afternoon getting completely soaked. I think aqua splash activities will become a regular event because the children thought it was great!

Did anybody bring a towel?

Lynda Clark
Headteacher.
