EVENTS AND DATES

Agm date decided as the 17th March 2009 3.30 Mrs Oldham to kindly ask Mrs Higgs to do a crèche

It was decided to try and do a meeting every half term to start a 14.30 if no new members then to try again at 3.30.

Heide to check about having a fundraising buffet meal at the Jalori (?£15 a head then school get half back)

It was decided to make it clear on the next mufty letter that if you do not donate 50p then your child should come to school in normal clothes.

Mrs Oldham identified that the children get very excited when they do not come to school in uniform thus making it harder to teach. We conclude that when there is a mufty day that only an item of clothing should be in the colour identified. Heide and Sophie will kindly research the Saint days (St David's day, St Patricks Day, St Georges Day) and give out to the children so they know what the day is about. Heide will send out the letter and reminder.

After a great debate an Easter Parade date was set for the 31st March. This will comprise of the children making an Easter bonnet at home then having a parade in the school assembly. This will be done so the parents can come and watch. Serena will do a letter asking for donations for boxed Easter eggs.

May fair 16th May 2009 will discuss at greater length at the next meeting .Heide , Sophie and Amanda will brain storm at birthday party tomorrow and bring to next meeting.

Heide suggested that we do a 100 club. Tabby will look into a board.
