A.O.B

It was discussed that the notice board is too small and not in a good position.

A mufly day was set for 8th February 2008 . Children to come in items of red or black for Valentine theme . 50p per child.

Disco set for 22nd May 2008 15.30 -17.30 also to make it a mufty day so children do not have to go home first to get changed. AE kindly agreed to do disco if needed. Mm to ask a previous disco man about discount as it was felt from past experiences the children behave better when there is a structured disco/games.

SC suggested setting up via email items for sale. To charge 30p per item to advertise. No confirmation as of yet if to start.

Mm said that previously the PTA had organised the bags to school fundraising, CD Bell and bulbs sale. At present the school are organising then. Tw to speak with Mrs Clarke about taking back this role.
