

PUPIL PREMIUM STRATEGY STATEMENT

Written	September 2023
Reviewed & Updated	
Review Date	September 2024

School overview

School name	Ridgmont Lower School
Number of pupils in school	4
Proportion (%) of pupil premium eligible pupils	75%
Academic year that our current pupil premium strategy plan covers	2023-2024
Date this statement was published	September 2023
Date on which it will be reviewed	September 2024
Statement authorised by	Mrs A Jakes
Pupil premium lead	Mrs A Jakes
Governor / Trustee lead	Mrs C Sweetnam

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£ 8730.00
Recovery premium funding allocation this academic year	£ 2000.00
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£ 0
Total budget for this academic year	£ 10730.00

Part A: Pupil premium strategy plan

STATEMENT OF INTENT

At Ridgmont Lower School, our motto is *Learning for Life*, and in order for this to be fulfilled it is our intention that all children, irrespective of background or circumstances, should make good progress and achieve to the best of their ability across all subject areas. We recognise that not all pupils with an identified need are in receipt of pupil premium grant so we will use resources available to support their needs too (DfE Guidance, March 2022). We also recognise the barriers that prevent children from achieving their best. It is our aim to overcome those barriers through

- The provision of high quality CPD to ensure that pupils access effective quality first teaching
- The provision of targeted intervention and support to quickly address identified gaps in learning including the use of small group work and 1:1 tuition
- Targeted funding to ensure that all pupils have access to trips and first hand learning experiences
- The provision of opportunities for all pupils to participate in enrichment activities including, though not limited to, sport and music
- The provision of appropriate nurture support to enable pupils to access learning within and beyond the classroom, including well-being and behavioural support as needed
- To give free access to after school activities

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Ensuring the children continue to receive high quality first class teaching despite low numbers
2	Attendance
3	Behaviour, resilience and well-being issues have been identified as affecting attainment

Intended outcomes review

Intended outcome	Success criteria	Final outcome
Progress in reading	All targeted children will meet ARE in reading	All targeted children met ARE in reading
Progress in maths	All targeted children will meet ARE in maths	100% of targeted children met ARE in maths
Progress in writing	All targeted children will meet ARE in writing	100% of targeted children met ARE in writing
Progress in spelling	All targeted children will improve their half termly spelling assessment	All targeted children improved their half termly spelling assessment
Increased positive behaviours, resilience and self-belief	All targeted children will begin to demonstrate increased self-regulation, resilience and self-belief	All targeted children had made progress with this; some to a greater degree than others
Attendance	At least 97% attendance achieved across the board	Attendance for 2023-2024 was 95.45%

Activity in this academic year

This details how we intend to spend our pupil premium and recovery premium funding **this academic year** to address the challenges listed above.

Targeted academic support

Budgeted cost: £ 9200

Activity	Evidence that supports this approach	Challenge number(s) addressed
1:1 support	According to the EEF guidance (Education Endowment Foundation), where TAs are working individually with low attaining pupils the focus should be on retaining access to high-quality teaching, for example by delivering brief, but intensive, structured interventions	1, 3

Wider strategies

Budgeted cost: £ 1530

Activity	Evidence that supports this approach	Challenge number(s) addressed
The Headteacher monitors attendance on a weekly basis. Parents are informed if their child's attendance falls between 90-96%. The attendance policy is on the website and holidays in term time are not agreed unless the circumstances are deemed 'exceptional'.	Reducing pupil absences will have a positive effect on achievement (UCL research)	2
Enrichment Activities (cooking, sewing, gardening, trips to venues to support learning etc)	Teaching children to cook encourages a healthier dietary pattern in adulthood alongside other skills such as maths and reading. Cooking along with sewing also encourages fine motor skills, resilience in overcoming a challenge and commitment to completing a project, self-confidence and creativity. (BBC)	1, 2, 3

Total budgeted cost: £ 10730.00
